\$600 setup + \$50/month

\$650 initially. Hosting + routine upkeep.

Renews monthly until canceled. Cancel in your workspace.

- Photo menus + bar specials + live music updates
- Pickup orders + your own delivery team
- Loyalty points + birthdays + customer records
- Employee schedules + private team messages
- QR + home-screen access + your own updates
- Optional app-store submission package: \$300 once

Keep your website. We build and host your app.

Verified initial payment starts the seven-day private build; human approval precedes launch. The optional app-store package brings the initial total to \$950, then \$50/month. Eligible stores only; approval is not guaranteed. Developer accounts and fees are separate. Guests pay your business directly.
